Masters program fees

Fee estimates are not provided for Masters programs that are Commonwealth Supported due to the duration of the program over multiple years and possible variation in subjects available.

For a fee estimate for Masters CSP programs, refer to the CSP page

Commonwealth Supported Place - Limited

These programs have been approved for limited Commonwealth Supported Places in 2027. Please refer to the details in your Offer.

*Indicative cost is based on 40 credit points for a Graduate Certificate and 80 credit points for a Graduate Diploma undertaken in the Field of Education/Band listed.

Any subjects undertaken from another field of study/Band will result in the corresponding fees for that field of education.

Fees are indicative for 2027 only. If students undertake subjects in future years they will be charged at the corresponding year's fees.

**Program includes subjects with multiple FoE meaning the fees may vary. Fees listed are an estimate only.
